Faith and Practice of Baltimore Yearly Meeting, the First Query, Meetings for Worship:

Are meetings for worship held in expectant waiting for Divine guidance? Are Friends encouraged to share spiritual insights? Are special gifts of ministry recognized and encouraged?

Do you come to meeting with heart and mind prepared? Are you careful not to disturb the spirit of the meeting by late arrival or in other ways?

WELCOME TO VISITORS!

If this is your first time worshipping with us, please sign the guest book and indicate whether or not you'd like to receive our monthly newsletter. Please include an email address if you have one. If you wish, introduce yourself when invited at the rise of worship.

Everyone is invited to stay for a free simple lunch after worship - it's a good opportunity to learn about Homewood.

The meeting for worship is the heart of every Friends Meeting. Baltimore Yearly Meeting generally has unprogrammed worship based on waiting in silence, and founded on faith that human beings can commune directly with God. In expectant silence we strive to center inwardly. Each is aided by the seeking of others, so that worship becomes a corporate experience.

EVENTS TODAY (JANUARY 14):

FIRST DAY SCHOOL: Martin Luther King Jr. Day Program TODAY. The program will include worship, discussion, and activities for school aged children and their families to understand the vision of Dr. King for racial, social, and economic justice and how that applies to our lives. The program begins at 10:30 in the Library and will be facilitated by Rory Kennison, a senior at Haverford College, with help from the Kennison family. Child care in the Nursery will be provided for children younger than school aged.

“Our life is love, and peace, and tenderness; and bearing one with another, and forgiving one another, and not laying accusations one against another; but praying one for another, and helping one another up with a tender hand.”
