**Faith and Practice of Baltimore Yearly Meeting**, the Sixth Query: **Home and Family**

Do you make your home a place of affection where God's presence is felt? Do you practice family prayer? Do you share your deepest beliefs and interests with all in the family? Do you grow together through sharing prosperity and adversity? Can you keep a sense of humor and avoid taking yourself too seriously? Do you establish family standards including the mutual obligations of children and adults?

Are you as children learning to be accountable for your own actions? Do you as parents help your children to grow in independence and responsibility? Do you consider the needs of grandparents and older members of the family circle?
